

# Fire training and safety guideline

- Every member of the AkiraChix should not leave the compass not until November and if one does so the you have to pay back the money that is being spent on you.
- We are not allowed to receive anything from outside except when the administration is aware of it.
- No student is allowed to put harm on the other student, body shaming, stealing other people's property.
- We are not supposed to enter the places that are out of bound to us for example the kitchen and the alumni places.
